IACO

Italian American

Cultural

Organization

The purpose of the IACO is:

-  To promote and disseminate Italian culture (and fluency in the Italian language).
-  To foster and participate in cultural, educational, language, social, and fundraising activities.
-  To engage in activities, which enhance the positive contributions to the United States and the entire world by Italian immigrants and by their progeny.
-  To recognize and publicize the outstanding contributions of some of Italian Americans periodically.

IACO was formed by a group of like-minded men and women from the South Shore of Boston.

Meetings are held monthly on the first Monday of each month at 7:00 p.m. When a Monday holiday falls on the first Monday, we meet on the second Monday.

Our meetings feature presentations by Italians or Italian-Americans on various aspects of Italian culture: authors of books, genealogists, artists, artisans, musicians, etc.

Documentaries on a variety of different topics are shared in an effort to enlighten those in attendance.

Twice a year, we have social meetings where the focus is on building camaraderie and sharing our favorite Italian foods.

All persons interested in Italian culture, regardless of age, race, or national origin, can join this organization.

Fill out and return this application with your dues and join us for our next meeting. Call one of the following officers to confirm the meeting location or to ask any questions:
