

Preparations are well underway for **FESTA DI SAN MARTINO**, an annual fundraising event hosted by the **Italian American Cultural Organization (IACO)**. This year's event will take place on **Saturday, November 18, 2023 from 6 pm - 11 pm at the Tirrell Room in Quincy**. More than 350+ supporters from around the Greater Boston area will come together to enjoy an Italian feast, paired with samples of Italian wines – *all to promote awareness of the Italian culture and to support scholarships for high school students of Italian descent*. This event will include music and dancing from the Italian Band Ambrosiani as well as perfect way to honor the fall harvest and the patron saint of winemaking, **San Martino**.

During the year, IACO provides engaging Italian programming in the fields of art, music, science, literature, culture and traditions to hundreds of members, business and community partners and friends on Boston's South Shore and beyond.
